Invitation

WELCOME TO Fertivision 2018

DEAR FRIENDS

"Alone we can do so little; together we can do so much."

Helen Keller

It is a great pleasure for us to invite you to be a part of the Fertivision 2018, the 14th Annual international conference of Indian Fertility Society organized by the Kerala Chapter to be held in Kochi, Kerala on December 14th, 15th and 16th 2018. The theme of the conference is 'Beyond all limits... Breakthrough to Excellence...' This will be a unique forum for clinicians and embryologists to review and discuss the current practice guidelines and experiences in evidence based manner.

The three days of program will consist of keynote presentations, panel discussions. There will be 6 Pre-conference workshops based on Andrology, Genetics, Embryology, Hands on Embryo transfer, Live endoscopic program and The Ovary-House boat CME. These workshops will be in addition to the special state of the art workshops by the International Fertility society, ESHRE and Middle East Fertility society. We expect delegates across India, Srilanka, Bangladesh, Nepal, Middle east countries and African nations and the arrangements are being made to accommodate 2500 delegates.

This meeting allows you to target your market audience face-to-face.

The exhibition area will be one of the highlights of the conference. Exhibiting provides tremendous benefits to both participating industry and the Society. The tariff is structured in levels so that you may participate at the level most beneficial to your company. As has been our trademark, tea, coffee and lunch will be served concurrent with the trade area to allow optimal interaction of trade and delegates during beverage and lunch breaks.

We invite you to participate in the Fertivision 2018 and exchange your expertise with more than 2500 specialists in the field of Assisted Reproduction.

We look forward to your active participation and suggestions for successful conduct of the conference.

With Our Best Regards

Dr. Sohani Verma
